

January 29, 2025

Parents/Guardians,

This letter is to inform you that the Ag department at Hale R-1 is hosting a Hunter Education Certification with the Missouri Department of Conservation. Your child has expressed interest in completing their Hunter Education Certification and has already received the necessary workbook to prepare for the class. The quiz for each chapter (6-8 questions) is in the back of the workbook and should be completed by the date of the in-person skills education certification session. They are to bring it to the certification class. This is to be done on their own time. If someone is struggling with it, I will be happy to meet during or after school to help. Just let me know.

The certification is **FREE** and will be on **February 18, 2025** at the school. We will start at 3:45pm and it will last approximately 3-3.5 hours. To ensure your child has a spot in the class, please go to the following link and fill out the registration information.

<https://mdc-event-web.s3licensing.com/Event/PrivateEvents>

Passcode: B337

Please feel free to contact me via email or at school with any questions. Parents are welcome to attend but it's not necessary.

Sincerely,

Rhonda Oesch  
Hale R-1 Ag Advisor
